

U3A Redlands Covid -19 Compliance Guide

- U3A Redlands members and visitors are no longer required to show proof of either full vaccination or medical exemption **to attend U3A office, classes, activities and venues.**
- Where venues that we use for U3A classes/activities still require mask wearing and other Covid-safe practices, all U3A members must comply, so that those U3A classes/activities may continue. **(As per Donald Simpson Centre Vaccination Policies, you must be fully vaccinated to attend. Please show proof of vaccination or medical exemption on entry).**
- It is at the discretion of individual U3A Redlands Tutors, that if they prefer their class attendees to continue to be fully vaccinated, wear masks and practice other Covid-safe practices, **U3A Redlands will respect those wishes. However, please advise the office, so that your particular class list can be updated accordingly.**
- In general, all members should take responsibility to protect themselves and those around them by adopting Covid-safe practices; wear a mask when you feel at risk; and stay home if unwell.
